- v. September 10-13, 2017, 32nd Annual WateReuse Conference in Phoenix at the Marriott Renaissance on First St & Adams

Reports

- c. Arizona Happenings
 - i. Water Reuse Rule Update John Kmiec will follow up with Chuck Graf after the Govenor's Panel meeting regarding the status of the rule revisions and how we can further help.
- d. National Board Happenings
 - Jeff Biggs reported on the National Legislative & Regulatory Committee. He discussed the transition strategy being revised to have a unified voice with new politians in DC. FLY-IN will be Mid-March. Attending from Arizona: Tim Thomure, Alan Forrest, Patty Kennedy and Jeanne Jensen
 - Guy Carpenter discussed the Outreach to Medical Community initiative to share research and begin dialoge on what they think we need to be doing to win over the confidence of the medical community and public.
 - Guy also reported that the search for a new Executive Director to replace Melissa Meeker is underway and they hope to have someone in place by the end of 2017.
 - Tim Thomure reported that he'd be attending the WE&RF meeting in Tampa and the next meeting will be held Dec 9th in San Antonio. He is also participating on the Finance Transition Sub-Committee that will be deciding how to combine the financial resources and commitments from both organizations.
- e. Financial Report was presented by Robin Bain and is included with meeting minutes.
 - i. The current total set aside for SCAPR is \$32,615. An additional \$12,500 will be expended upon receipt of the NWRI's guidance document. We may need to authorize additional funding at a later meeting.

f. Committee Reports

- i. Membership
 - We reviewed the list of members and expected increases to dues and discussed whether or not we needed communicate increases to our members. We review the talking points provided by National, but those with the most significant increases were in the meeting. The only one that we felt needed to be reached out to personally was SRP. A discussion about who had a relationship with John Felty or Richard Siegel ensued. Lisa will follow up with our list of member contacts.
 - We had a discussion about membership survey results.
 Lisa will resend.
 - We discussed the Membership PPTX that was developed by National that we can use for membership recruitment.
 We need to add the Value Proposition to it. Lisa will send out to board members.
- ii. Education nothing to report
- iii. Scholarship nothing to report
- iv. 2016 Symposium Wrap-Up
 - Lisa discussed proceeds expected from AZ Water before year end. Final amount to be sent to AZ section is \$2,423.63 (2015 \$1,990).
- g. Update on the Steering Committee on Arizona Potable Reuse (SCAPR)
 - i. Discussed recent outreach presentations that were made by both Tim and Rob (Maricopa County Bar Association).
 - ii. We discussed the status of NWRI's AZ Guidance Document (should be sent to use by end of the month) and how to best leverage it with ADEQ.
 - Maria/Stantec offered to develop a matrix to add to the report based on whether various recommendations fit into 3 or more areas (Regulatory, Permitting, Guidance).
 - Channah will follow up with Chuck Graf to discuss developing working groups that our members can participate on or lead.
 - John will talk with Miseal at next Govenor's Water Augmentation Council meeting.

New Business

- h. Executive Administrator
 - Board agreed to extend Lisa Culbert's contract through 2017.
 Maria Brady moved to approve and Jeff Biggs provided the second motion.
 - ii. Discussed the need to approve a change order to extend the 2016 contract due to additional activities related to the Reuse Rule workshops. Lisa will provide the figures to the board for email vote/approval.
- i. Channah presented National's State Profile document and board discussed how it should be revised to reflect Arizona.
- j. Arizona Water Reuse Maps
 - i. Map identifying AZ Section Members is complete.
 - ii. Maria/Stantec will work on a map to identify AZ Reuse Projects with a deadline of February to be finalized before the DC Fly-in. A discussion ensued on how best to acquire the information to populate this map.
 - We need to send a request to utilities to understand planned future facilities. The request would include "why they should provide this information" as Arizona hasn't gotten their fair share of federal funding opportunities.
 - Tim has a list of permitted facilities in AZ or we can get an updated list from Chuck Graf.
- k. Jeff Prevatt led discussion regarding the Water Innovation Challenge final presentation. Final Award will be announced Nov 3rd. Lisa will send the WRAZ logo to Jeff.
- I. A brainstorming session ensued regarding the 2017 National Symposium planning and the subcommittees that will be needed.
 - i. Lisa will reach out to Courtney & Deirdra to discuss the cost sharing agreement with the AZ section.
