LOCAL

Program: On Site Retrofit Pilot Program
Website: <http://www.bewaterwise.com/>
Department: Metropolitan Water District of Southern California
Type: Grant
Propose: Provides financial incentives directly to public and private owners to convert potable water irrigation or industrial water systems to utilize recycled water. First come first serve basis starting 7/1/14 through 6/30/16 or until funds are exhausted.
Funding Limit: Authorization has increased and distributed at \$195 per acre-feet for **five** years of estimated use, up to actual retrofit costs.

Program: Local Resource Program
Department: Metropolitan Water District of Southern California
Type: Grant
Propose: Provides financial incentives for the development of water recycling, groundwater recovery, and seawater desalination projects.
Funding Limit: MWD has changed the program to have three incentive payment options: sliding scale incentives up to \$340/AF over 25 years, sliding scale incentives up to \$475/AF over 15 years, or fixed incentive up to \$305/AF over 25 years. In addition, MWD will provide reimbursable services to member agencies to expedite development of ready-to-proceed projects. The Application package for new program will be online in early 2015. MWD will host an information session for its member and retail agencies in December 2014.

Program: So Cal Water\$mart
Website: <http://www.bewaterwise.com/>
Department: Metropolitan Water District of Southern California
Type: Grant
Propose: Provides businesses generous rebates to help encourage water efficiency and conservation.
Funding Limit: Case by case evaluation.

Program: Water Savings Incentive Program
Website: <http://www.bewaterwise.com/>
Department: Metropolitan Water District of Southern California
Type: Grant
Propose: Open to all commercial, industrial, agricultural, institutional and large landscape customers who implement qualifying projects. Examples include replacement of older, less water-efficient equipment, comprehensive changes to industrial processes that reduce water consumption, improvements to existing irrigation systems and landscaping to improve water use efficiency.
Funding Limit: Payment amount is up to \$0.60 per 1,000 gallons saved per year over the project live, up to a maximum of 10%. Incentives are limited to 50% of eligible project costs.

STATE

Program: California Financing Coordinating Committee (CFCC)

Website:

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/docs/funding_fairs/la_funding_fair2015.pdf

Purpose: Infrastructure Funding Fair with representatives from California Conservation Corps, SWRCB, DWR, I-Bank, SCE, Southern California Gas Company, and US Bureau of Reclamation to discuss various funding programs with eligible projects.

Date: July 8, 2015 from 9:00 a.m. to 1:30 p.m.

Location: LA County Department of Public Works, Conference Room B/C
900 South Fremont Avenue, Alhambra, CA 91803

Program: Division of Financial Assistance Programs

Website:

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/water_recycling/proposition1_funding.shtml

Department: State Water Resources Control Board

Type: Loan/Grants

Propose: SWRCB is administering the funding for RW with a total of \$625 million. DWR is administering the funding for RW with a total of \$100 million. SWRCB has divided the \$625 million into 50% low interest loans via CWSRF and 50% grants administered through then Water Recycling Funding Program. Planning grants have a maximum of \$75,000 with a proposed state share of 75%. Construction Grants have a proposed max of \$15 million (\$20 million for SDAC's) with a state share of 35% (40% for SDAC's). Loans are proposed 30 year term at half the general obligation bond rate, approximately 1.7% (Lower than 1% available). Local agencies and private utilities are eligible. No Deadline, apply anytime via SWRCB "FAAST" online. Eligible projects are funded in the order applications are completed and approved. (CEQA has a long lead time item and must be completed)

Funding Limit: \$725M for recycled water and desalination projects funding by Proposition 1.

Program: Integrated Regional Water Management Grants (Proposition 84, 2015 Applications)

Website: <http://www.water.ca.gov/irwm/grants/implementation.cfm>

Department: Department of Water Resources

Type: Loans/Grants

Propose: Provide low interest loans or grants to assist public water systems in achieving or maintaining compliance with the Safe Drinking Water Act. Eligible grant applicants are local public agencies and non-profit organizations. Federally recognized Tribes can be members of a Joint Powers Agreement (JPA), per Government Code §6500 et seq. IRWM Grant Program 2014 Drought Guidelines 13 For the IRWM Implementation Grant Program, the grant applicant is the agency submitting an application on behalf of an IRWM region. The grant applicant is also the agency that would enter into an agreement with the State, should the application be successful. Tribes, partner entities, or IRWM stakeholders, as defined in CWC §10541(g), may be part of the proposal as a project proponent and access grant funding through their relationship with the applicant, at DWR's discretion.

Cost Share Req: 25% minimum match and no limit per project.

Funding Limit: \$27.2M (2014 for Round 3, Part 1). Total of \$200M

STATE (Continued)

Program: Clean Water State Revolving Fund (CWSRF) – Financial Assistance Programs
Website: http://www.waterboards.ca.gov/water_issues/programs/grants_loans/
Department: State Water Resources Control Board
Type: Loan
Propose: The State Water Resources Control Board (State Water Board) on March 18, 2014 approved new low-interest financing terms for water recycling projects to help California produce an additional 150,000 acre-feet of recycled water annually, one of several actions Governor Brown called for in his Drought State of Emergency. Beginning immediately, the State Water Board's Division of Financial Assistance is offering \$800 million in 1 percent loans — approximately half the current interest rate — for water recycling projects that can be completed within three years of the Governor's January 17 declaration. Applications for funding must be submitted by Dec. 2, 2015.
Funding Limit: Approximately \$25M
Deadline: Program ends on December 2, 2015

Program: Drinking Water State Revolving Fund (SDWSRF)
Website: http://www.waterboards.ca.gov/water_issues/programs/grants_loans/
Department: State Water Resources Control Board
Type: Loans/Grants
Propose: Provide low interest loans or grants to assist public water systems in achieving or maintaining compliance with the Safe Drinking Water Act. Water treatment facilities, replacing aging infrastructure planning studies, consolidation of water systems, source water protection, etc.
Cost Share Req: 25% minimum match.
Funding Limit: \$500,000 per planning study, \$20 million per project and \$30 million per entity per cap grant. Total of \$200M

FEDERAL

Program: WaterSMART: Drought Resiliency Project Grants for Fiscal Year 2015
Website: Funding Opportunity No. R15AS00046 at www.grants.gov
Department: U.S. Bureau of Reclamation
Type: Grants
Propose: Supports a proactive approach to drought by providing assistance to water users to:
(1) Develop and update comprehensive drought contingency plans,
(2) Implement projects that will build long-term resiliency to drought, and
(3) Implement emergency response actions. This program supports drought resiliency projects that will build long-term resiliency to drought and reduce the need for emergency response actions.
Cost Share Req: 25% minimum match.
Funding Limit: \$300,000 per award, \$3M total available.
Deadline: June 25, 2015
