2015 Recycling Related Legislation

- AB 606 (Levine) State Properties RW
- AB 888 (Bloom) Ban on microbeads
- AB 956 (Mathis) RW CEQA Exemption
- AB 1463 (Gatto) Onsite Gray Water
2015 Recycling Related Legislation

- SB 471 (Pavley) Water-Energy Emissions
  - Requires ARB conduct emissions inventory from water sector
  - Makes programs, including RW eligible for funding from GHG Fund.

- DDW Annual Fee Increase
  - $3.8 million shortfall
PROPOSITION 1 Recycled Water

- Chapter 9 funding: $725 million –
  - Chap. 9 -- $131 M RW -- $5.7M Desal
  - Great interest from GO and Legislature about the ability of RW funding to help ease drought impacts.
  - RW projects for California – over $5 billion.
WRCA: SWRCB Guidelines

- Support SWRCB proposed increase to $15 million grant cap and $20 million for DACs.

- Include “reopener” provision for construction grant cap and CEQA.

- Increasing planning grant cap from $75,000 to $400,000.
SWRCB Emergency Regulations

- 25% urban conservation: 1.3 MAF
- Draft regulations apply to potable water
- Reduction credit for RW or IPR water?
WRCA Title 17-22 Proposed Changes

- Working on getting changes since 2009!

- Title 17: Changeover devices and swivel ell and backflow prevention requirements

- Title 22: Expand uses of RW– example pipeline pressure testing, zoos
  - Dual Plumbed RW system (allow snack bars and cafeteria)
  - Allow hose bibs and quick couplers
