

WaterReuse California supports the establishment of policies and development of funding options that support as many water recycling solutions as possible; that a range of customized “mix and match” options offer each community or region the most potential for success in offsetting limited drinking water sources, including imported water.

Central Coast WaterReuse Kick-Off Meeting Monday, November 2, 2015

11:30 AM – 1:30 PM

You are invited to the inaugural meeting of the WaterReuse California Central Coast Chapter. The goal of the Chapter is to help support the ongoing efforts to implement water reuse projects and improve water supply sustainability on the Central Coast. Lunch is provided.

Location

Pismo Beach City Hall, Council Chambers
760 Mattie Road, Pismo Beach, CA 93449

Keynote Speaker

Mike Markus, President, WaterReuse California and
General Manager, Orange County Water District

Join the meeting online:
