February 2019

Chapter Meeting – November 1, 2017

Speaker Biographies

[Rosarito Desalination and Otay Mesa Conveyance and Disinfection System Project](#)

Speaker: Mark Watton, Otay Water District General Manager

Mark Watton is the General Manager of the Otay Water District. His duties include responsibility for the day-to-day operations of the district and overseeing a \$91.7 million annual budget and 133 employees.

Mr. Watton is well known in the water industry serving on elected and appointed boards covering every aspect of water management for local government and at the regional and state levels. He served on the Otay Water District's board of directors for eighteen years, including four terms as its president. He is a past chairman of the San Diego County Water Authority (SDCWA), served on the board of directors of the Metropolitan Water District of Southern California, was a Governor Pete Wilson appointee and the current alternate appointee of Governor Brown to the Colorado River Board of California.

Speaker: Seval Sen, Padre Dam Municipal Water District

Seval Sen has a B.S. in Environmental Engineering and M.S. in Civil Engineering from San Diego State University and has 15 years of experience. Her areas of focus are wastewater treatment, potable reuse, facilities planning, and pilot testing. She has been with Padre Dam MWD for the last two years and involved in facilities planning and implementation for the East County Advanced Water Purification Program for potable reuse.
