

Potential Chapter Subcommittee

(January 16, 2020)

Ag Reuse Working Group

- To help develop advocacy/educational materials for agricultural reuse.
- The workgroup can reach out to other chapters who have members that have ag reuse experience as well to join the workgroup.
- Initial brainstorming by Chapter officers includes development of materials such as case studies/project highlights to summarize what worked, what didn't, how did they get funding, best practices, getting customers, etc.
- After the meeting, any volunteers can stay to do additional brainstorming or begin to take on tasks.
