

# WATERREUSE ARIZONA CALL FOR AWARDS

*Nomination Deadline is June 17, 2022*

*Awards will be presented at the  
Arizona Water Reuse 2022 Symposium  
July 25 – 27, 2022, Little America Hotel, Flagstaff, Arizona*

## PROJECT OF THE YEAR AWARD

### Description

Focus on reclaimed water quality, reclaimed water uses, treatment plant capacity and flows, public education contributions to the community, efficiency, etc.

### Criteria

- Include a maximum of three pages of supporting documentation
- Include one picture of project or nominee

## PROGRAM OF THE YEAR AWARD

### Description

Describe components of water reuse public education or outreach programs including curriculum, classroom instruction, tours, and how the outreach enhances a better appreciation of water resources, management, and conservation.

### Criteria

- Include a maximum of three pages of supporting documentation
- Include one picture of project or nominee

## PERSON OF THE YEAR

### Criteria

- Include a one page supporting documentation on why you are nominating this person and their contribution to the Arizona WaterReuse industry.

Please submit all entries to [watereuseaz@cox.net](mailto:watereuseaz@cox.net).

Awards Chair: Erin Young, City of Flagstaff
