

Student Art & TikTok Contest

Guidelines and Policies

Open to students in the state of Georgia participating in public, private or homeschooling agencies

Art Contest

Grades 1st to 8th: Create a drawing, painting or graphic design piece about how water can be recycled by nature or by people.

- Entry & Permission forms may be submitted through the QR code or by going to: [Student Contest](#)
- Art submissions must be from 8½” x 11” to 24” x 36” & uploaded in JPEG or PNG format
- Submissions must contain the student's name, grade, and school's name (or homeschooled) as the file name
- For educator's submitting on the behalf of their entire class, or multiple students, please list your name, the grade you teach, and school name as the file name. The artwork submitted should still include each student's name and age assigned to each artwork.
- Artwork must be an original work of the student. No art containing a copyrighted graphic, photographs, collages or trademarked art will be accepted

TikTok Contest

Grades 9th to 12th (13 to 18 years of age): Create a TikTok video on water reuse facts, themes or career opportunities

- Entry & Permission forms may be submitted through the QR code or by going to [WRA Student Contest](#)
- All videos must be 30-60 seconds long while adhering to TikTok's policies and remaining clean and non-inflammatory
- Submissions must include the hashtags [#ReimaginingWater](#) & [#WorldWaterDay](#) & [#WaterReuse2023](#)
- All videos must be set to public access while tagging [@watereuse](#)
- Include your name, grade and school in your post to allow identifying judging factors
- All individuals under 18 years of age, that appear in the video, must complete and submit an [entry & permission form](#)
- Artwork must be an original work of the student. No art containing a copyrighted graphic, photographs, collages or trademarked art will be accepted
- TikTok is not a sponsor of this contest

All Entries

- All entries can be submitted by the QR code provided or by going to: [WRA Student Contest](#)
- All participants under the age of 18 years of age must complete and submit a [parental permission form](#)

- By submitting an entry & permission form you will be agreeing to all Guidelines & Policies
- Artwork must be an original work of the student. No art containing a copyrighted graphic, photographs, collages or trademarked art will be accepted
- By submitting, you are allowing the WaterReuse Association to utilize the artwork or video entry for educational or promotional purposes and acknowledge that all entries become property of the WaterReuse Association and may not be returned

Prizes

All entries will receive a certificate of recognition and an opportunity to be showcased on our social media and at our annual [Symposium](#) in Atlanta, GA, in March 2023.
