

Potable Reuse Permitting & Compliance Committee Mission Statement

Chair: Jason Dadakis, OCWD

Co-Chair: Erika Bensch, LACSD

WRCA Staff Liason: Rosario Cortés

The Potable Reuse Permitting & Compliance Committee will facilitate discussion and information exchange between project proponents, owners, and operators, as well as facilitate the adoption of appropriate conditions and permits for future potable reuse projects. The committee will provide a forum for agencies to better communicate on emerging permitting and ongoing compliance issues as required by the Division of Drinking Water (DDW), the Division of Water Quality (DWQ) and the Regional Boards.
