## 2023 Water Reuse Summit

*Putting Reuse to Good Use*

Thursday, April 27, 2023

8:30 a.m. Tour: Sweetwater Wetlands Park Tour  
325 SW Williston Road, Gainesville FL 32061  
Park in the Parking Lot at the wetlands park.

10:00 a.m. Summit: UF Straughn IFAS Extension Center  
2142 Shealy Drive, Gainesville, FL 32068

Park in the Straughn building parking lot and see the Parking Attendant to get the parking permit to display on dash of car.

## WELCOME!

*This year's annual water reuse summit hosted at the University of Florida features a morning tour of the Sweetwater Wetlands Park, a student presentation contest, a variety of reuse speakers. The summit topics include One Water research, potable reuse, PFAS, public engagement, and even green infrastructure treatment of reclaimed water!*

*Join us for a tour, speakers, student presentations, and lunch to share and learn more about beneficial reuse of reclaimed water and to look forward to celebrating WateReuse Week in Florida during the week of May 14-20th.*

*The modest registration fee for this event will contribute towards the Florida WateReuse Scholarship fund. Thank you for attending the 2023 Annual Reuse Summit!  
Mike Sweeney, Florida WateReuse President  
Kerry Kates, Florida WateReuse President-Elect*
