

WRTX Accepting Poster Submissions

The call for posters for the WaterReuse Texas conference is now open **through July 12, 2023**. Posters should be an eye-catching, visual representation of research relating to reuse technology, financing or financial related, or other research topics. Poster size is 34" x 22" maximum.

Proposals should include the following:

1. Title of the poster
2. Abstract up to 500 words of the poster and project, including the result and how it relates to reuse if not obviously related. Provide some information about how the poster will convey the information visually and/or how you will engage conference attendees.
3. Participant(s) bio (up to 100 words)

Poster presenters must register and pay for the conference but can use the student rate of \$25 if they are currently a student. There are two Best Student Poster Awards available for the first and second place winners of the poster contest - \$1000 for first place and \$500 for second place. Poster proposals can be sent via email to Noelle George at ngeorge@watereuse.org

Apply:

The nomination deadline for a poster proposal is July 12, 2023, and should be submitted to Noelle George at ngeorge@watereuse.org. Poster selections will be notified at least one month prior to the conference.
