MAXIMIZE YOUR REACH IN THE WATER REUSE INDUSTRY

WateReuse Texas Conference Sponsorships place your organization's name in front of municipal decision makers and help maximize your marketing efforts in the Texas water reuse industry.

2019 CONFERENCE: 150 attendees; 35% utility participation

2023 CONFERENCE: More than 175 attendees

2024 CONFERENCE: 250 attendees expected; targeting 40% utility participation

WRTX LINKEDIN PAGE: Almost 1,100 followers (increased from 27 followers at the beginning of 2022)

WRA LINKEDIN PAGE: 9,000 followers

Thank you for considering sponsorship! Your support helps us keep ticket prices low so that more utility personnel can attend.

WateReuse Association is an internationally recognized leader providing policy guidance, educational and communication tools, and technical resources for municipalities involved in or considering water reuse. The WateReuse Texas conference brings together industry leaders in water reuse for education, conversation, and networking to promote the growing water reuse industry in Texas.
