

2025 Nevada WaterReuse Annual Symposium

Program

The goals of the technical program for the 2025 symposium include, to 1) share the state-of-the-art in water reuse efforts in Nevada with members and attendees, 2) learn from invited speakers and keynote speaker about their experiences in potable reuse and non-potable reuse, and 3) discuss pathways for future potable reuse in Nevada.

Program Outline: January 27, 2025
