

FREE Infrastructure Funding Fairs on May 21 or 29

On Wednesday, May 21 and Thursday, May 29, the [California Financing Coordinating Committee](#) (CFCC) is hosting this year's free Infrastructure Funding Fair (funding fairs). The funding fairs are offered virtually and begin at 9:00a with online presentations followed by virtual booths. The funding fairs provide an opportunity for attendees to speak directly with program staff about specific projects and issues affecting their community.

Space is limited! [Register now](#) to reserve your place.

The [CFCC Funding Fair](#) is the best place to learn more about available federal, state, and local government grants, loans, and bond financing for your infrastructure project. Connect with federal, state, and local agencies to discuss the financial and technical resources available. CFCC suggests that Local government employees, Water industry professionals and others attend these informative Fairs.

READ MORE

The CFCC combines the resources of four State and two Federal funding agencies to provide a one-stop shop for available grants, loans and bond financing for infrastructure projects. The CFCC Members Agencies include IBank, the State Water Resources Control Board and the U.S. Bureau of Reclamation. Since 1998, the CFCC has conducted free [funding fairs](#) statewide each year to educate the public and offer potential customers the opportunity to meet with financial representatives from each agency and learn more about their [currently available funding programs](#).
